CEUs: 0.5

TREEO FDEP OCP 04131055: CEUs .5 DW WW DS

Description:

Protecting our drinking water from natural and man-made threats has become one of the US Department of Homeland Security's top priorities. This course will help the Water Distribution System Operator and Utility Manager identify some of the vulnerabilities of a distribution system and how to better protect this valuable asset.

Who should attend:

- Drinking Water and Distribution System Operators
- Utility operators
- City managers, engineers and mayors
- Regulatory personnel
- Health Department personnel
- Community leaders
- Law enforcement personnel

Instructor: Ron Trygar, CET

Register online, www.treeo.ufl.edu or contact Josette Rassel, jrassel@treeo.ufl.edu or 352/392-9570 ext 212

There is no charge for this course. Registration is required and limited to 40 students at each location.

This is a FDEP and EPA funded course.

Course Coordinator: Stephanie West,
