1. Open the URL provided and select “Enroll”.

2. Select which social media you would prefer to login with.

3. Enter the required social media login information. This page will look different depending on which social media you select.
4. Enter your birth date and select “Register”.

5. A verification email will be sent to the associated email address. Login to the associated email address on your computer (not your phone).
6. Select the link provided in the email to verify your email address. Please be patient as the system verifies your email address.

7. Once the verification process is complete you will receive a notification (see below). Select the “Log In” button.

8. Select which social media you would prefer to login with.
9. Accept the “Acceptable Use Policy” notification by selecting the checkbox and clicking “Submit”.

10. Once you select “Submit”, you will be taken to your Course Dashboard. Select the course you signed up for and begin your course work.
